Height: 8 cm (3.1")

Width: 14 cm (5.5")

Framed Height: 29.5 cm (11.6")

Framed Width: 37 cm (14.6")

Description

A number of Glover's classicising landscapes were in beautifully, and minutely rendered monochrome washes, as if painted using a Claude glass, a common device used to reflect and compose the landscape. This complex and intricately constructed, classical capriccio is a good example. It was formerly in the Arnold Fellows Collection.
