Framed Height: 33.5 cm (13.2")

Framed Width: 40 cm (15.7")

Description

Crome was an etcher as well as an oil painter, producing a series of etchings of local scenery. These were not published in his lifetime, but posthumously, firstly in 1834 by his widow, and subsequently, with alterations instigated by Cotman's patron Dawson Turner, in 1838, as Etchings of Views in Norfolk. The present etching is from the Dawson Turner issue on China Appliqué.
