Framed Height: 36 cm (14.2")

Framed Width: 27.5 cm (10.8")

Description

The present drypoint is of one of Flint's iconic images. It is titled "Frileuse", chilly in French as applied to the female! Indistinctly numbered "X..", it is probably a fairly early pull from the second state edition of 75 or 77 copies of this print, plus the artist's quota of six copies.
